Visit to the Old Age Home

We –the Interact Club of RedBridge- Ushered a group of 30 students from our campus to the Anand Vihar Old Age Home. We had bittersweet and fulfilling interactions with the lovely elders, giving them a sense of nostalgia and an ear to listen. We had the pleasure of gift exchanging with the grandparents!

Date: April 14th 2025

Art Competition on Environmental conservation

The Interact Club of Redbridge organized an intra-school art competition on the theme "Environmental Conservation." Students showcased their creativity through powerful artworks that highlighted the importance of protecting nature and promoting a sustainable future.

Social Activity at a Government School

At Muthurayanaswamy Doddi Government School, around 50 students from the Interact Club of Redbridge came together and painted approximately 11 walls. This initiative went beyond just a social effort—it made a lasting impact by brightening the school environment and creating a more positive space for the students there.

Project On Eco-Friendly dustbins

The students at Redbridge created eco-friendly dustbins using paper mâché and other sustainable materials. The aim of this initiative was to move towards becoming a zero-plastic school. These dustbins will be implemented for use in the school from the next academic year, encouraging everyone to maintain a clean and green campus
